SONORA POLICE EXPLORER POST #364

What is it all about?

The Sonora Police Department has developed a Law Enforcement Exploring Program which is chartered by the Boy Scouts of America. The program serves four main purposes:

1. **Insight**

It provides insight to help you determine whether you would like to pursue a career in the world of law enforcement by involving you in real police activities with highly trained and experienced officers.

2. **Community Relation**

The program offers you an opportunity to develop a positive relationship with the police in your community.

3. **Mental & Physical Preparation**

The program will give you the proper framework to develop a sharp mind and physically fit body.

4. **Education**

The program will help you better understand our local form of government and your responsibilities as a citizen.

Is the program all work?

Many of the assignments you perform will help earn your Explorer Post money.

The money earned will be used by the Post for equipment, tours to law enforcement agencies in other cities, fun activities (such as skiing/snowboarding, paintball, waterslides, etc) and competitions. You can become involved in athletic/knowledge competitions and other events with other Explorer Posts.
